Arthur L. Trester Award Winner: Andrew Brown- Blue River Valley

## **BLUE RIVER VALLEY'S BROWN NAMED TRESTER AWARD RECIPIENT**

Andy Brown of Blue River Valley High School was selected by the IHSAA Executive Committee as the recipient of the Arthur L. Trestler Award in Class A Boys Basketball.

A starting forward for the Vikings and its defensive stopper, Brown also participates in tennis and baseball.

Brown serves as the president his school's National Honor Society, has volunteered for Habitat for Humanity and also has been a fund-raiser for Riley Children's Hospital in Indianapolis.

Academically, Brown maintains a 3.6 GPA and plans to pursue accounting next fall at Ball State University.

Brown is the second Blue River Valley athlete to be awarded a mental attitude award in the last two years. Heather Blevins became the school's first winner during the 1999-00 school year when she was selected for the award in gymnastics.

Farm Bureau Insurance, the corporate partner of the Indiana High School Athletic Association, presented a \$1,000 scholarship to Blue River Valley High School in the name of Brown.

## CLASS A POST-GAME QUOTES

**Blue River Valley Coach Barry Huckleby**

"We thought coming in (to the tournament) that this might be the best game of the day. We made some turnovers and they hit some threes down the stretch. In the fourth quarter they came back on us and we couldn't stop their run at the end."

"It's tough to have a good offense when your center's on the bench. In the first half, it was 8-3 in our favor in fouls. We got called on a lot of fouls in the second half. When we were up by 14 points, we didn't take control and they found a way to wear us down in the stretch."

(On Kyle Cox) "All year he's gone to the line a lot. He'll get past you and they'll foul him or he'll pull up and hit the three. But he didn't go to the line in the first half."

"Defensively, we did the job on them in the third quarter but in the fourth quarter it was their (Attica's) turn. Again, it was difficult to run a simple offense when your center is on the bench."

**Blue River Valley's Kyle Cox**

"They used their speed and quickness to their advantage. I think they used their experience in football to their advantage. They got 28 points in the fourth quarter. You have to hand it to them. They weren't going to give up. You have to give credit to them for that."

**Blue River Valley's Andy Brown**

"It's kind of hard to be happy after this kind of loss but tomorrow it might feel better. But right now, I'm just concerned about my teammates."

**Attica Coach Ralph Shrader**

"If you'd told me I would walk into the interview room after the game after being down 14 in the third quarter and be introduced as the 2001 Class A state champions I would have thought you were crazy."

"Our kids continued to battle. We continued to do things offensively by spreading the court and moving the ball. We didn't have a true post player. We wanted to flash and make their big players react to us and I thought we'd be all right."

"I thought they did a super job on Josh (Smith) throughout the game. We did a poor job of trying to force the action to him and we forgot about team balance that got us this far. Later on we picked up the intensity a little. We made it more of a full court game, a run-and-jump kind of game which was to our advantage."

"I thought the kids showed a lot of heart and determination. I had players that were sitting on the bench and weren't playing in the third and fourth quarters. During timeouts (the players on the bench) were talking about heart and how they wanted to go out. That shows the nice chemistry we have."

**Attica's Josh Smith**

(On running into the scorers bench in the fourth quarter) "I'm not sure (on what happened). I went for a steal and I saved the ball and the next time a looked up and everybody was above me. I must have hit my head and I went out for a little bit after sliding under the table."

(On winning basketball title after losing football title) "We dug ourselves a hole just like we did in football. One of our mottos was 'Play the way you want to be remembered'. We hit a couple of big shots and started a run and got the other team rattled."
